

Child Psychiatry 2011

An Update For Child Study Teams

Join Mark Paul Faber, M.D., Director of the Division of Pediatric Psychiatry at Saint Barnabas Medical Center, for a free program entitled "Child Psychiatry 2011 - An Update For Child Study Teams."

This interactive program will address all of the recent and controversial issues related to child psychiatry, including: antidepressants, bipolar disorder, autism spectrum, etc.

The program is open to all Child Study Teams and their staff. Lunch will be provided.

Tuesday April 5, 2011 ; 11:30 a.m. to 1 p.m.
Conference Room A/B
Saint Barnabas Ambulatory Care Center
200 South Orange Avenue, Livingston

This free program is offered by **The Division of Pediatric Psychiatry at Saint Barnabas Medical Center** which provides parents and families with the clinical expertise of a Child and Adolescent Psychiatrist trained to evaluate, diagnose and treat children and adolescents dealing with emotional difficulties, learning and behavior problems and mental disorders.

To register, please call Karen
at 973-322-7223.

Mark Paul Faber, M.D.

Director of the Division of Pediatric Psychiatry
at Saint Barnabas Medical Center

Dr. Faber completed a fellowship in Child Psychiatry/Sleep Disorders at UMDNJ/Robert Wood Johnson and performed his residency in general psychiatry at Yale Medical School Affiliates. He attended medical school at Ross University. He received a masters in Health Education and a bachelor of science degree, summa cum laude, from the University of Maryland.

He was included in the 2003 "Top Doctors" list featured in New Jersey Monthly magazine, the 2010 Inside Jersey magazine, and was named to the 2001 - 2011 Castle Connolly Guide to America's Top Doctors. He was also named Health Professional of the Year for 2001 by The New Jersey Center for Outreach and Services for the Autism Community (COSAC).

Dr. Faber, whose specialties include Attention Deficit Hyperactivity Disorder, Depression and Anxiety, is board-certified in adult and child/adolescent psychiatry.
